

## **Family Selection Committee Information Sheet**

**Responsibilities:**

Committee members serve on an ongoing basis working with applicant families in a short-term capacity. The task of this committee is to research and review as a group pre-screened applications to determine eligibility for Habitat partnership. This is a very important function for Habitat – this group basically performs the underwriting function to determine eligibility for Habitat's zero-interest mortgage loan. Selecting applicants for partnership requires a serious commitment, as well as a commitment to confidentiality, from all committee members.

**Meeting time/Location:**

The Family Selection Committee meets for lunch on the first Tuesday of every month at Noon in the Habitat office located at 1025 N. Broadway Avenue.

**Contact:**

For more information about serving on the Family Selection Committee, please call Claudia Donaldson at the Habitat office at 405/232-4828.
