

Family Support Committee Information Sheet

Responsibilities:

Committee members provide informational support to applicant families while they complete their sweat equity requirements and following the purchase of their home. This is an important function, requiring a longer-term commitment to working with specific families, the goal of which is to help the home buyer make the transition from renting to home ownership. Committee members visit with assigned families periodically, usually by phone, for up to one year after becoming homeowners. "Team training" is available for all our partners. We are always looking for enthusiastic volunteers to help families make a smooth transition at this important time in their lives. More education up front means a construction and purchase experience with no surprises, as well as a happier and more successful owner, and a better neighbor.

Meeting time/Location:

The Family Support Committee meets for lunch on the fourth Tuesday of every month at Noon in the Habitat office (1025 N. Broadway). New members are always welcome.

Contact:

For more information regarding the Family Support Committee, please feel free to call Claudia Donaldson at the Habitat office at 405/232-4828.
