

Special Events Information Sheet

Responsibilities:

Habitat needs individuals who are interested in helping to plan and implement special events taking place each year, including our annual volunteer recognition event held in the fall where Habitat's outstanding volunteers are recognized. It takes many hours of planning and organizing to make this and other events a success.

Contact:

For more information about Habitat's special events, please feel free to call Pam Felactu, Development Officer, at 405-232-4828.
