

Photography and Newsletter Information Sheet

Responsibilities:

Habitat is looking for individuals who would like to share their photography talents and/or writing skills. Volunteer photographers help document house dedications and other special events, and many of those photos are used in Central Oklahoma Habitat's quarterly newsletter.

Volunteers are also needed to contribute articles to the newsletter, which is distributed to some 15,000 volunteers and donors each quarter. We welcome fresh ideas and participation. Guest writers may cover special events for the newsletter, conduct interviews, or contribute relevant articles on approved topics. All newsletter content is subject to final editing by Habitat.

Contact:

If you would like to write an article for the next Habitat newsletter or volunteer as a photographer, please call Pam Felactu at 405/232-4828.
